The CCC hosted several graduation ceremonies this spring, Kente, Lavander and the International students.

Several campus groups used our building to host gatherings Japanese Club, Chi Alpha, & the Pan African Student Association.

CAMPUS CHRISTIAN CENTER

Giving

The Campus Christian Center needs you! Recently maintenance and utility costs have increased. To continue to serve students at this capacity, our building needs partnership. This means monetary giving but most importantly, pray that the Lord continue to use this ministry in a mighty way.

Student Highlight

Kaleigh Schwartz 2026 Graduate

For the last 4 years, the Campus Christian Center has been like a second home to me .
It's a place where I can eat my lunch, play ping pong, visit with friends, attend bible study, and meet new people.
It has been amazing to see the growth this building has had and the community it continues to build everyday.
I truly don't know what i would do without the CCC or the amazing community of people it has helped build for me.
